The Great Lunchbox Heist

Date: 6th November 2025
Subject: Investigation into Missing Paneer Paratha from Class IX-B

At approximately 12:37 p.m., chaos erupted in Class IX-B when student Aditi raised an alarm that her beloved paneer paratha had vanished from her lunchbox before recess had even started. Panic spread faster than school gossip. Witnesses claim a faint butter aroma lingered in the air, and one student was seen licking their fingers suspiciously near the bag section. Class monitor Riya was immediately questioned, given her reputation for "taste-testing" others' tiffins in the name of friendship. The canteen auntie was called in as an expert witness and confirmed "paneer fingerprints" on Riya's notebook.

CCTV footage confirms Riya crouching near Aditi's bag with the stealth of a raccoon. A butter-stained tissue and one guilt-filled burp sealed her fate.

Riya found guilty. Punishment: share her lunch for one week.
