MINISTRY OF INTERNAL AFFAIR-SVERDLOVSK OBLAST

INTERDEPARTMENTAL TRANSFER NOTE

File Group: [redacted]

Date: X[redacted]02/1959

To: Department XXXXXXXXXXXXX, Sverdlovsk Forensic Bureau [redacted]

[redacted]

I. PURPOSE OF TRANSFER

- Pursuant to Directive No. [redacted] and in accordance with Clause [redacted] of internal procedural regulation [redacted] the following materials related to File Group [redacted] are transferred under seal for continued examination, archival storage, and internal review:
- Autopsy Reports No. [redacted] through No. [redacted] ([redacted]/02/I959)
- Field Investigation Notes and Protocols [redacted]
- Site Diagrams and Photographic Records [redacted]
- Physical Evidence: clothing, tent fragments, personal items, and material samples [redacted]
- Witness Statements and Recorded Testimonies [redacted]
- Sections containing sensitive information have been withheld from general circulation and are marked [redacted] as per Clause [redacted].

II. CONDITIONS OF CUSTODY AND HANDLING

All materials must remain sealed; access is strictly limited to personnel authorized under Directive [redacted].

Transportation of items conducted under supervision of Lt. [redacted], Northern Investigation Section; transport log maintained under No. [redacted].

Any duplication, extraction, or dissemination of materials requires explicit written approval of Major [redacted].

Specific sections marked [redacted] remain classified until further instruction from Department [redacted].

Detailed inventory attached under cover of Form [redacted]; receipt confirmation required upon delivery.

III. Observations and Procedural Notes

Preliminary examination confirms that materials are complete and correspond with prior field documentation.

Certain evidence sections are incompletely documented; follow-up review may be necessary pending clarification from Department [redacted].

All laboratory samples, photographic negatives, and clothing items transferred under sealed evidence protocol [redacted].

Observations regarding technical readings, site anomalies, and environmental measurements remain restricted and annotated as [redacted].

IV. ADMINISTRATIVE NOTES

Transfer executed in compliance with internal regulations of Northern Investigation Section [redacted].

Custody receipt and transfer verification forms retained in Section [redacted].

Unauthorized disclosure, loss, or tampering with materials is punishable under Article [redacted], Criminal Code of RSFSR.

Any requests for additional access or review must be submitted in writing, referencing File Group [redacted] and Directive [redacted].

Signed: Lt. [redacted]

Countersigned: Major [redacted]

Seal: [redacted]

Date of Receipt by Department [redacted]: [redacted]
